

Coaches, Welcome to the 2009 Baseball/Softball Season!!

Your Picture Days this year are:

**Saturday May 2<sup>nd</sup> @ Community Park**

**Thursday May 7<sup>th</sup> @ Community Park**

To schedule your times please go to the link below by April 22nd:

<http://www.tssphotography.com/schedule/index.asp?FranKey=100206&ScheduleID=>

Times are available on a first come first serve basis, so schedule early. Those coaches who have a lot of children making their first communion should schedule on Thursday. These are the most popular times so please schedule immediately to ensure the majority of your team will be able to participate.

Pictures will be taken at Community Park. Weather permitting we will be outside, just look for the white EZ up tents. Our indoor location will be \_\_\_\_\_.

Your picture day packets will be picked up April 26<sup>th</sup> with your \_\_\_\_\_.

Have a great season, GO TIGERS!!!

## Northville Baseball and Softball Association Individual and Team Pictures

Shoot Date: Saturday May 2<sup>nd</sup>/Thurs May 7th

Shoot Location: Community Park

Time: You must schedule your own time online, see below

### Coaches Step #1 Schedule your team online by 4/22:

- Go to <http://www.tssphotography.com/schedule/index.asp?FrankKey=100206&ScheduleID=> to schedule your picture day time.

**Please remember scheduling is first come first serve.**

### Coaches Step #2

- **Please hand out the attached order envelopes no later than 1 week before your picture date.** This is important so that the parents have enough notice and are organized before your picture date. Be sure to indicate time on each envelope.
- Plan to have your **team together 15 minutes before your scheduled time.** Then complete the following steps:
  1. Coaches need to check in at the Display tent upon their arrival.
  2. Once a majority of your team has arrived please line up your team at the colored flags and the shoot host will take you to the next available photographer.
  3. It is **very important** to get your team to the photographers as **fast and organized** as possible. Due to the tight scheduling we need to have the teams under control and prompt.
