

## 2010 Northville Baseball Travel/ Tournament Team 10 Year Informational Sheet

### 10U Parents,

Thank you for your interest in Northville Baseball. Northville Baseball Softball Association is pleased to provide three teams that offer an advanced level of play for 10 year olds.

Below is a brief explanation of each team and its activities.

### TRAVEL TEAM(S) Bronco and Mustang

The Bronco and Mustang travel teams will play in the Kensington Valley travel baseball league. Weekly winter practices will be held beginning in January and outdoor practices will begin in April. Starting in May, there will be two games per week during the season and typically two practices per week. The team will also play in 5 to 7 tournaments next summer. Total games will be about 45 to 65. The cost per player will be about \$700, plus any out of town expenses. Typically one or two tournaments are overnight events. This becomes a higher level of competition and commitment. ***In season, players will be expected to make baseball dates a priority over other sports and activities.***

### TOURNAMENT TEAM Stampede

This team is considered a tournament team, which means it will practice and play in tournaments in addition to the house program. The team will practice approximately twice per week, usually on Saturdays or Sundays. Indoor practice will begin in January. Exact days to be worked out after team selection. The team will play 3 to 5 tournaments and represent Northville in the Michigan PONY tournament. Typically one or two tournaments are overnight events. Cost per player will be approximately \$500 per player.
