

2010 Fall Baseball Registration

The Northville Baseball Softball Association is proud to announce Fall baseball is back this year! The target audience for the league remains those players who demonstrate a moderate to high level of skill and show a passion for the game. The goal of this league is to place an emphasis on fun; no championship games; no standings; just baseball!

- When - Start date September 12th (duration 6 weeks); end date October 17th . Sunday doubleheaders (start time 4:00 and 6:00pm); 12 games in total.
- Commitment - One night per week; limited to no practices; coaches are to expect conflicts will arise
- Teams - Goal is to strike a competitive balance while allowing friends to play together provided competitive balance still exists.
- Cost - \$45 per player, includes a team shirt and also covers umpires, balls and field cost...and the ever important pizza in between games! Player to wear pants from regular season.
- Age Brackets - 8U (5-1-01 to 4-30-02), 9&10 U (5-1-99 to 4-30-01) and 11&12U (5-1-97 to 4-30-99) eligible players from the summer season (house recreational, or travel teams).
- The 8U group will play by a modified version of H-League rules; including the introduction of kid pitch.

If you feel your player possesses the talent and/or enthusiasm for the game, and would enjoy playing baseball even on a "cold day", we would encourage you to join this league. Players should have participated in the NBSA league this past season. This league will be open to all travel, tournament and recreation players so players should possess a certain degree of skill and love for the game as the overall skill set is expected to be higher than that of the normal recreation league.

Registration deadline will be September 5, 2010. We will make every effort to accommodate all applicants. However, spots may be limited; in that case, registrations (with payment) will be taken in the order received. As always, teams will be dependent on the number of volunteer coaches we have. The team draft/selection will be held the week after Labor Day, so please let us know by Labor Day if you would like to coach a team. You can direct your coaching requests or any other questions to this year's organizers:

Tom Breen (tbreen@activeaero.com) or Tim Cain (tcain11@attglobal.net)

Players/parents will be contacted regarding team assignment shortly following the draft/assignment process. Detach and return with payment or fill in form and email to tbreen@activeaero.com (and still mail payment)
