

2011 Northville Baseball Tournament Teams 9 Year Old Informational Sheet

9U Parents,

Thank you for your interest in Northville Baseball. All players interested in the 2011 9U tournament teams must have a birth date no earlier than 5-1-01. Please fill out a medical release form and a player information sheet for the tryouts.

Northville is pleased to provide two teams, and a third if needed, that offer an advanced level of play for 9 year olds. Below is a brief explanation of the teams and activities.

TOURNAMENT TEAM(S)

The **Bronco and Mustang** tournament team players will play in the Northville H League this summer. This is mandatory for any Northville tournament team player.

Weekly winter practices will be held beginning in February or March and outdoor practices will begin in April. Starting in May, there will be two games per week for each player's H League team and typically one practice per week with the tournament team. We will do our best to avoid conflicts with the H League season.

The tournament teams will also play in 5 or 6 tournaments next summer with one being an out of town tournament requiring an overnight stay. Total games between your son's H League team and the tournament team will be approx. 35-40. The cost per player to participate on the tournament team will be about \$300, plus any out of town expenses.

Please consider this as we recognize this is a substantial commitment. In season, players will be expected to make baseball dates a priority over other sports and activities.

GENERAL

There will be an optional workout on Saturday, September 11th at Henningsen Field from 4pm at 6:00 pm. All are welcome to attend.
