NORTHVILLE BASEBALL – SOFTBALL ASSOCIATION

COACHING APPLICATION FOR YEAR 2012 .

****** PLEASE READ ******

To be a coach, each applicant must be approved each season by the NBSA board of Directors. Before acting, the Board MUST have a police records check processed. A police records check is one of the criteria determining eligibility for volunteering for this program. You are required to provide personal information including your social Security Number, which will be used to conduct a police records check for each applicant. The City of Northville and the Township of Northville require this information pursuant to MCL Const. Art. VII Sec. 22 and 34. After approval of the board, the general info and coaching portions of this form are forwarded to the appropriate House League Commissioner/travel Program Director. The form's personal information section, however, is needed for the police records check only and is destroyed before distribution within the NBSA organization. The results of the police check are strictly confidential.
