Game:									
Minimum # of Players	All KVBSA games must begin and end with nine (9) defensive players regardless of reason for absent players. A team must play with a minimum of nine (9) defensive players to complete the game. If the number of defensive players available is less than nine (9), the game will be recorded as a forfeit regardless of the score of the game at the time of the absence of the player.								
# of Innings	6 innings					7 innings			
Complete Game	4 innings (3-1/2 innings if home team is winning) Or determined by time limit. If a game is called due to weather or darkness prior to the time limit and the required innings for a complete game, the makeup game is restarted from the <u>beginning of the game - suspended games are not allowed</u> . If a game is called before an inning is completed, the score reverts to the score at the end of the last complete inning played unless the home team is winning or the home team tied the game in their half of the current inning.								
Game Time Limit	2 hours A new inning may not start after 2 hours from the actual game start time. A new inning begins immediately after the third out of the previous inning. If the time limit is reached during an inning, that inning is treated as the last inning. During weather delays, the clock is suspended until play restarts.								None
Weather	Suspending play due to lightning and weather-related incidents will be governed by the home team's community rules. If a community does not have defined rules, the NFHS rules are in effect. NFHS rules call for a 30 minute suspension of play when lightning is seen or thunder is heard. Any subsequent lightning strikes or thunder after the beginning of the 30-minute count should reset the clock and another count should begin.								
Mercy Rule	7 runs after 5 innings	8 runs after 5 innings				10 run after 5 innings			
	Once the mercy rule is invoked, the game shall end. Clarification: The mercy rule applies anytime after the specified inning. So if the visiting team reaches the run total in the top of a later inning, the mercy rule is to be invoked at that point.								
Maximum Runs/Inning	6	7				Unlimited			
	This is the maximum number of runs that can be officially scored. For example, if an at bat results in more runs scored than the maximum, only the maximum is included in the official score. This limit applies to the last inning as well.								
	Scorekeepers must confirm the score with the other team at the end of each 1/2 inning.								
Tie games allowed	Yes								
	Extra innings must be played if time limit allows. Complete games ending in a tie prior to time limit due to inclement weather or darkness may reschedule for completion if both coaches agree.								Refer to NFHS Rules section 4-3
Reporting of Game Results	Scores: Winning team is responsible for reporting scores. Scores should be reported within 48 hours of completion of game. If a team fails to report a score after a formal request for a score has been made, KVBSA reserves the right to give both teams a loss. Ejections and other issues: Both teams are responsible for reporting ejections and lack of umpires. If other concerns need to be raised, report within 24 hours of completion of the game.

Once a pitcher is removed from pitching, he/she can not pitch again in current game regardless of number of outs pitched. If it is determined that a pitcher has exceeded the maximum # of outs pitched, the pitcher shall be immediately removed from the pitching position.								
Base Running:									
Sliding	For all KVBSA games, High School Rules will apply. Refer to NFHS rules Sections 2-32 & 8-4-2b which is published at the end of these rules. NOTE: A runner is NOT required to slide. If the runner does slide, it must be a legal slide (see rule below). If the runner doesn't slide, he must avoid interfering with the play. Ejection of the runner is the umpire's discretion if malicious intent is determined.
